

LARRY AND LORRAINE NUTT

## Couple Retire from Firm

Larry and Lorraine Nutt, on Dec. 31, retired from Nunda Modern Home Center, a division of Nunda Lumber and Hardware. It was in April of 1971, that Larry was hired as general manager of the Center. Less than a year later Lorraine joined the firm as bookkeeper.

To quote a business associate: "For over 16 years, Larry and Lorraine have been the heart and soul of the Modern Home Center. Larry quickly became adept at finding the niche where the organization belonged in the market place. An innovator in materials and shop techniques, Larry seemed to be a step ahead of current trends and styles. Lorraine, with her expertise in maintaining a complex and continually growing record keeping system, kept the business on an even keel. Her calming influence and pleasant demeanor were as important as the professional manner she maintained."

Before coming to Nunda from the Jamestown area, he had been in the insurance business, and she worked for many years in banking. Larry is a veteran of World War II, when he served in the Navy. He is an active Rotarian.

BY MRS. JULIA WEAVER

I'm sure many families in the area remember Dr. Stanley Jackson of Mt. Morris. He retired Jan. 1 after 40 years of practicing in this region. He delivered many babies during his 40 years of service and made many house calls. For several years, my late mother, Mrs. Will Swain, was his patient and she lived to be 99. There are two doctors who will come to his office in Mt. Morris on different days to continue the practice. Congratulations Dr. Jackson and may you have many years of happy and healthy retirement.

Mrs. Leila Pierce and Mr. and Mrs. Vernon Pierce, Matt and Mark, attended the baptismal service for three-month-old Joshua Charles William Pierce, son of Mr. and Mrs. Brett Pierce of Nunda. The service was in Trinity Church of Nunda. The baby is the great-grandson of Mrs. Leila Pierce and the great-nephew of Vernon.

Correction: The birthday dinner I had on Dec. 20 was for my foster daughter, Robin Krupp, not my foster granddaughter.

Recent callers of Julia Weaver were Doug Harrington of Waterloo and his nephew, Kevin of Buffalo.

Overcutting of trees in the African Sahel, on the southern rim of the Sahara Desert, has cost the region more than half its forest since 1950, says National Geographic.

It's an ugly word. It's an ugly act. And it can happen to anyone. But in the Livingston County area, no one has to endure the aftermath alone.
